British Columbia Post Secondary Counsellors' Association

FEB 13 & 14 2018

DR. LORI HASKELL

The Regional Domestic Violence Unit & the University of Victoria and the BC Post-Secondary Counsellors Association in collaboration with the Provincial Office of Domestic Violence present a free two-day workshop to registered guests with Dr. Lori Haskell on trauma informed approaches to working with survivors and those impacted by domestic and sexualized violence.

For more information about Dr. Haskell, visit:

<http://learningtoendabuse.ca/about/research-associates/lori-haskell>.

This workshop will:

- Explore the neurobiology of traumatic experience
- Describe how specific experiences impact survivors of trauma, memory, reactions and behavior
- Enhance knowledge in conducting trauma informed interviews/receiving disclosures/reporting
- Identify strategies for working with clients to facilitate trust and communication
- Offer advanced therapeutic and clinical intervention for survivors of sexual violence.
